

Journal  
**Research in Health Services and Regions**

Camila Gonzatto | Managing Editor  
cgonzattodasilva@zi.de

# About the Journal

- Peer-reviewed, **Open Access** Journal, published by Springer Nature
- Focus on **variations in health service provision**
- We are interested in manuscripts that deal with
  - methods, results, and implementation
  - health policy interventions
- We accept **Original Articles, Review Articles, and Brief Communications** (such as Research Commentaries and Scientific Letters)
- Our **editors-in-chief** are here: Stef Groenewoud, Daniela Koller, Dominik von Stillfried, Thérèse Stukel. We have an **international editorial board** with currently nine members.
- The journal is initiated and **fully funded** by the Central Research Institute for Ambulatory Health care in Germany. **No Article Processing Charges or fees are applicable.**

# Collections with Open Calls

- **The Future of Health Care Atlases**  
It delves into the experiences atlas projects have been doing so far in different countries while also looking into the future. Deadline: Ongoing
- **Lessons of the Pandemic – How the pandemic affects our health care systems**  
It aims to reflect on what we could learn from the COVID-19 pandemic that might be valuable for other areas of health care, mainly connected to regional variation. Deadline: Ongoing
- **Designing the Future through Understanding the Past and the Present: Emerging Researchers Take on Regional Variation in Health Care**  
It is dedicated to Early Career Researchers with a Prize for the best article. Deadline: May 2023

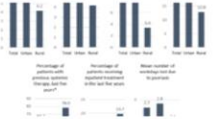

# The first articles are online:

## Volume 1, issue 1, December 2022
